CONTENT ASSOCIATE

March 2021 - July 2021

ESPN | Bristol, CT

- Provided live event and control room coverage for college football/basketball, MLB and the WNBA across all ESPN networks
- Worked with producers and media operators to supply video for quick turnaround sponsored cut-ins in a tight, deadline-driven environment
- Cut highlights and other high-end creative pieces (inbumps, montages, recaps) for live pregame/postgame/fill studio shows and halftime reports

PRODUCTION ASSISTANT

July 2019 - Feb 2021

ESPN | Bristol, CT

- Responsible for daily content creation on flagship studio shows such as SportsCenter, Get Up and First Take
- Created highlights, wrote scripts for anchors and produce video telestrations for analysts
- Researched compelling storylines, pitched story/segment ideas, collected footage and edited video content for use in highlights, billboards, telestrations, montages, teases, opens and SportsCenter Top 10 Plays

MENTORSHIP

- Spent several days shadowing and receiving mentorship from ESPN's Chris Fowler, both at the Michigan/Michigan State football game in 2018, the 2019 US Open in New York and the 2019 CFP National Championship in Santa Clara, CA. Thanks to these experiences, I gained first-hand knowledge of the entire process of an ESPN broadcast, from buildup and days of preparation to final delivery on air
