

Broadcast Journalist

A credible, versatile anchor who is trusted and well-researched, with gravitas and warmth. Exceptional grasp of medical and legal terms. Makes complex information clear and compelling. Masterful with breaking news, asks the right question for the situation, and demonstrates sound judgment and impeccable ethics. Maintains a graceful command of the newscast during wall-to-wall coverage. Tees up reporters to make them shine. An engaging storyteller who exudes humanity and compassion in her writing. Fluent in Spanish. Collaborative with producers.
